R. Thomas Edwards Jr.

Senior Vice President - Investments

Tom has more than 38 years of experience in the securities industry. He joined the Norfolk office of Davenport in January 2017 after 22 years at UBS Financial Services and 16 years at Kidder Peabody & Co. in New York.

As a Financial Advisor, Tom serves individuals, families, and small-business owners. He offers his clients financial advisory and planning strategies to help build, protect, and preserve their wealth. He begins each new client relationship by listening to you. Once he has identified your financial and life goals, he will develop an investment plan that takes into account your risk tolerance and time horizon. He will also factor in other investments as part of an overall asset allocation and diversification strategy. Your custom investment plan may include stocks, bonds, mutual funds, annuities, and professional money managers. Tom will monitor your investment plan and meet with you periodically to discuss rebalancing and other necessary adjustments due to changes in the market, as well as your life goals.

Tom earned a Bachelor's degree in Economics from University of Virginia. He is Series 3, 7, 63 and 65 registered with FINRA and is licensed to offer long-term care insurance. In his free time, Tom and his wife, Mary Landon, enjoy spending time on the water fishing, and working behind the scenes at Sacred Heart Catholic Church in Norfolk, Virginia.

All investing carries risk.
